

## **“YES” Club “SOS” Workshops**

**“Young Eagles Success” (YES) Club “SOS” Workshops** are available to Assist, Inspire and Empower Children, Youth, Young Adults and Adults on their Journey of the SUCCESS in LIFE! As the general definition of “SOS” is “Save Our Souls” (a Cry for HELP), our “SOS” Scope is to provide a “System Of Support” (SOS) specifically for Elementary, Middle and High School Students as well as Parents, Guardians, Teachers and Administrators. “SOS” Workshops are facilitated by Carl and Dianna Cole (Sounds Of Good News, Inc.), and are based on their “YES” Club Vision of “PEACE” = “Positive Energy And Character Excellence”. “SOS” Workshops are offered in the following three Components:

## **“Students Of Success” (SOS):**

“YES” Club Character Excellence Workshop Sessions provide a “Support System” for “Movement and Improvement” in Students through “In School” Class visits or Assemblies as well as in “After School” Programs. Workshops involve general discussions and activities that directly engage the Participants. Please, note that our “YES” Sessions are in compliance with the U.S. Department of Education’s mandated “Social Emotional Learning” (SEL) Standards for ALL Schools. Session “Topics and Terms” include: “Respect, Responsibility, Safety, Academic Achievement, Positive Attitude and Behavior, and Cultural Diversity”, to name a few.

## **“Success Of Students” (SOS):**

These “YES” Workshops are specifically for Parents & Guardians, to “Enlighten and Heighten” them about the Challenges and Solutions to current Social, Emotional, and Cultural Issues that negatively affect them, their Children, and Family Unit Today. These Sessions focus on developing and strengthening Healthy “Adult/Child” Relationships as well as redefining Standards and Guidelines for Improved Respect and Responsiveness from ALL Parties concerned. “Mom/Dad/Child” focused Workshops are most necessary in these trying times of Disconnect and Disrespect between Parents and their Kids.

## “Success Over Students” (SOS):

These “YES” Workshops are tailored to Teachers, Educators and Administrators, to provide New Techniques and Tactics for “REACH-ing” Students before “TEACH-ing” them (focusing on “SEL” Standards). We have discovered that “Making a Connection” with Children, Youth and Young Adults is the “Primary Goal” on the Road to SUCCESS for our Students. Accordingly, many of the issues that prevent Academic Achievement involve problems that occur “Outside of School” (e.g. at Home, in Society or in the “Streets”). These Sessions also offer unique ways to bring “FUN” into the Learning Process, with sprinkles of consistent “Order and Discipline”. Workshops also include ways to make and strengthen “Positive Relationships” with Parents and Guardians as well as Community Leaders.

“YES” Club Workshop Sessions are copyrighted by SOGN, Inc. “SOS” Sessions are invoiced by SOGN as “YES” Club Workshops (based on \$125.00 per 30-45 minute Session).
