To whom it may concern:

I would like this to serve as a letter of support and endorsement for the "YES" program. I had an opportunity to visit Mr. Cole's "YES" Club Character Excellence Workshop session and saw the energy and passion he has for young folks and his desire shape and develop positive attitudes and approaches to life. His message was about making the right choices and that kids have the ability to make positive decisions despite circumstances. In my discussion with Mr. Cole about his programs I could tell he has heart for the kids he works with and uses his experience and talents to reach out to them through this program.

As a result, we utilized this workshop session a few times for kids attending our summer day camp program this past summer.

If you have any questions, please contact me at the YMCA at 815-235-9622.
