Dear Pastor Cole,

We created the organization, Health Professional Grant Fund as a 501c3 organization to help individuals who are going into Health, Service and Professional careers. We recently had a board meeting, and expanded our reach to help individuals in missions. I am enclosing a check for \$500.00 for you and the ministry. We do not need a tax receipt.

Merry Christmas, and May the Lord Bless!

Dr. Jacob G. Caraotta
