PO Box 1132
Rockford, IL 61105

Dear Mr. and Mrs. Cole,

What a pleasure it was to partner with you and the YES! Club during the recent Rally for Peace event. During this time I was able to see firsthand the work you are doing with our impressionable young people. It did my heart good to see the positive energy and enthusiasm radiating from the students in attendance.

I was also excited to hear about the opportunities the YES! Club has had this past school year to provide its services to four of the schools in the Freeport School District. Character building is as crucial to the healthy development of our youth as academics are. The methods employed by your Yes! Club is such a breath of fresh air and received well by the students who need it the most.

It is my hope that your Yes! Club can expand to all of the schools in the Freeport School District so that more students who are beginning to fall off the track can find their way back through the dynamic character building and accountability that your program provides. Developing healthy youth is all about building relationships, mentoring, teachings skills and role modeling, and the Yes! Club is designed to do just those things.

Bless you for all you do and all you will continue to do!

Janet Plante
Community Youth Development Council Coordinator
